

Hartley Wood Map & Directions

For Lorries or Trailers the easiest route is to take the A39 and to turn onto King Lane about half way between High Littleton and Farmborough. We are about ½ a mile along on the right.

Alternatively you can approach on the A37 from Bristol direction and take the Lower Bristol road (at the bottom of the steep hill). Hartley Wood is sign posted and can be found just past the Hunters Rest Pub.

Best not use any roads off A368 as too narrow and steep.
